Luxury Bed & Breakfast Cottages

Take the road less traveled...

Beside Still Waters Farm is nestled on over 21 picturesque acres of forest and pasture. Each of our guest suites is a private cottage with the finest of luxury amenities. **Rose Arbor Cottage** and **Stepping Stone Cottage** are perfect for couples or individuals. **Meadowood Guesthouse** comfortably accommodates families, extended stays and small groups. We deliver a full breakfast to your cottage each morning and snacks and drinks are provided. You can expect to have everything you need at your fingertips. And instead of city lights, a blanket of bright stars waits to tuck you in at night. No rush, no traffic, no noise.
